

Rye Hills Y11 Newsletter February '17

It is extremely hard to believe that we are now more than half way through the final year of school for the Y11 students. It has been a real pleasure to see so many Y11 parents at our recent Y11 parents evening and especially at our Fish and Chip revision evening. Thank you for attending and I hope you found the information given useful. If you were unable to attend the meeting then the presentations can be found on the school website and your son/daughter has been provided with the revision materials handed out at the event. As we rapidly approach the upcoming exam period I would like to share with you some important information and dates for you and your son/daughter's diary. During the up and coming half term holiday there will be some booster sessions available to the students. These will be an invaluable opportunity for further revision and guidance with teachers outside of the normal lesson time. Before the Easter break, we will also be conducting a second round of PPE (mock) exams for the core subjects. This will provide the school, the students and yourselves with the level of progress made following the first round of mock exams. The dates of these are below. I have also added a reminder of the intervention timetable, so you are aware of when your son/daughter is in school early or working in school late. Thank you for your continued support. Only two terms left now before the exams. If you have any queries or concerns, please do not hesitate to contact me at the school.

Mrs Wilkinson, Y11 Coordinator.

PPEs ('Mock' Exams) – Second round for Core subjects				
Wednesday	29/03/2017	Biology Unit 2 WEST	AM	1 h 00m
Wednesday	29/03/2017	Biology Unit 2 EAST	PM	1 h 00m

Friday 17th Feb 2016				

Also to support both you as parents and your son/daughter there is a revision section on the school website. Here you find all sorts of helpful advice and tips on how to stay calm, provide support and be successful during the up-coming examination period.

These materials can be found on the school website, under students/KS4Revision.
