

Sport@Rye Hills

PE at Rye Hills Academy builds on the physical development and skills learned in key stages 1 and 2, in which pupils become more competent, confident and expert in their techniques, and apply them across different sports and physical activities.

Girls Football

Well done to the Year 10 and Year 11 girls who participated in the KS4 football tournament. Although the results did not go the girls way, they remained enthusiastic throughout every single match. Sydnie Smithson constantly led by example and was encouraging the other players to remain positive and try and play their own football.

Well done Sydnie for getting player of the tournament for Rye Hills.

Football Season Review

Year 7 - Under the guidance of Mr Norminton and Year 10 student Jack Winstanley, the Year 7 football team displayed some good football skills. A difficult transition to 9-a-side was met with a display of possession and passing football. Year 7 started the season with two emphatic results against Bydales (3-0) and Redcar Academy(2-0). Special mention to Rio Siviter for his 5 goals over the season making him the Year 7 top scorer. Well done to all Year 7 boys for this season.

Year 8 - A continued display of excellent football was there for all to see from Year 8. Although some results went against the team, the overall performance was highlighted by Mr Barnes as superb. An end of season 4-0 win against St. Peter's was a terrific way to finish the season on a high. A difficult first half was soon a distant memory when Charlie Nicholson started pulling the strings in midfield, a delightful left foot pass from the middle of the park played Hannah Colvin in behind the opposition right back and ice cold Hannah rocketed the ball past the goalkeeper. Well done to Year 8 football team for this season.

Year 9 - Attack is the best form of defence with the Year 9 boys. Goals in every game and some fantastic results against St. Peter's 9-4 and Huntcliff 5-2. Even in defeat the Year 9 boys still scored goals. Special mention from Mr Anderson for Jack Douglass who contributed 7 goals in 6 games played.

Well done to all Year 9 boys for this season.

Year 10 Netball Tournament

Well done to the Year 10 netball team for coming 4th in the annual netball under 16 tournament. An impressive show of netball from the girls at the tournament was rewarded with 5 wins, unfortunately an injury to Olivia Harrison, who battled on regardless, has an impact on results and 3 defeats. However congratulations is in order for the commitment and perseverance shown by the team to rally round and support a member of their team.

Upcoming competitions

- ⇒ 5-A-side Tournaments for boys and girls all years
- ⇒ Sports Hall Athletics Year 7 & 8—29th Nov
